Dear community friends,

We are reaching out to local businesses and organizations to help us continue to provide support and programs to families and our community that are open to all ages and abilities, tailored to families who have a loved one with Autism.

Our non-profit organization, Parenting Autism United, was made from parents who were looking for help and resources in our NEPA area and couldn't find what they were looking for.

With service providers and school districts doing everything they can, we are here to fill the gap of those on waiting lists, in need of additional support, education, resources, and so much more.

Offering families and professionals a casual, flexible environment to tackle things head-on while providing unique events and programming to suit our community needs, all while bringing our community together.

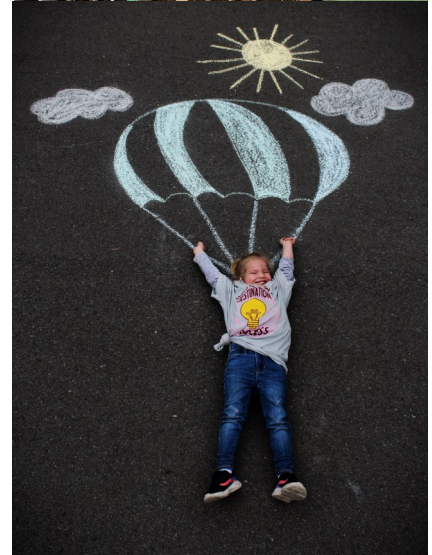

An event or fundraiser is held monthly to have the largest reach possible. Some of those events include our Sensory Friendly Valentine Social, JENGA Tournament, Community Day Supporting Autism, River Grille Decks Out For Autism, 2 Drive-thru Trunk-or-Treats, different BINGO's, and more.

Our programs are designed for different age groups from birth to 99, because children with autism grow up to be adults with autism, naturally. Some of those programs are Dragon Tales Reading & Art Program, our SENSEsory Salon, PAUsitively Unique Retail Program, Growin' with our Gnomie's Garden Program, Training Program for parents and professionals, and more.

With your support, we can continue to offer these resources to our area as we head into 2024. We appreciate your consideration and look forward to making a huge impact in our area. Please do not hesitate to reach out to us for any questions you may have.

Thank you!

Lindsay Dragon

# 2024 Sponsor Form

Visit our website [parentingautismunited.org](http://parentingautismunited.org) to download the 2024 Sponsor Form or click here!

The mission at Parenting Autism United (PAU) is to create programs for our community to help families and individuals with autism live a positive, healthy, and integrated lifestyle through education, support, inclusion, and understanding.

Identifying what families, parents, and our community need to foster effective change and close communication gaps between families, service providers, and school districts. Our goal is to break new ground for existing families and pave the road for the families who come after us.

PAU is working around the clock to bring positive change and support to NEPA. Our passionate and creative team is dedicated to making things happen today. With many of our board members being parents of a child with autism, we're not going anywhere as the programs we are creating benefit our families as well.

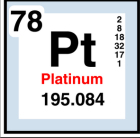

All sponsorships and donations are tax-deductible. By supporting PAU, you are supporting many families and professionals making our community better.

We hope one of our sponsor levels is a right fit for your organization, family, group, or business.

Any questions can be emailed to [parentingautismunited@gmail.com](mailto:parentingautismunited@gmail.com).

THANK YOU!
